Product Name: Anti-LI Cadherin Rabbit pAb

Synonyms: Cadherin 17; Cdh17; HPT 1; LI-cadherin; Liver Cadherin; liver inTine cadherin

Background: Cadherins are calcium dependent cell adhesion proteins. They preferentially interact with themselves in a homophilic manner in connecting cells; cadherins may thus contribute to the sorting of heterogeneous cell types. LI-cadherin may have a role in the morphological organization of liver and intestine. Involved in intestinal peptide transport.
