

## **Product Description**

Pioneering GTPase and Oncogene Product Development since 2010

## TCAP RABBIT PAB

Cat.#: S218815

Product Name: Anti-TCAP Rabbit Polyclonal Antibody

**Synonyms:** TELE; CMD1N; CMH25; T-cap; LGMD2G; LGMDR7; telethonin

UNIPROT ID: 015273 (Gene Accession - BC013330)

**Background:** Sarcomere assembly is regulated by the muscle protein titin. Titin is a giant elastic protein with kinase activity that extends half the length of a sarcomere. It serves as a scaffold to which myofibrils and other muscle related proteins are attached. This gene encodes a protein found in striated and cardiac muscle that binds to the titin Z1-Z2 domains and is a substrate of titin kinase, interactions thought to be critical to sarcomere assembly. Mutations in this gene are associated with limb-girdle muscular dystrophy type 2G.

Immunogen: Fusion protein of human TCAP

Applications: ELISA, IHC

Recommended Dilutions: IHC: 50-200; ELISA: 5000-10000

Host Species: Rabbit

Clonality: Rabbit Polyclonal

Isotype: Immunogen-specific rabbit IgG

Purification: Antigen affinity purification

Species Reactivity: Human, Mouse

**Constituents:** PBS (without Mg2+ and Ca2+), pH 7.4, 150 mM NaCl, 0.05% Sodium Azide and 40% glycerol

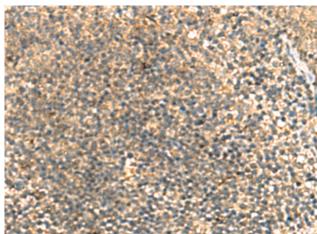

Research Areas: Cardiovascular

Storage & Shipping: Store at -20°C. Avoid repeated freezing and thawing

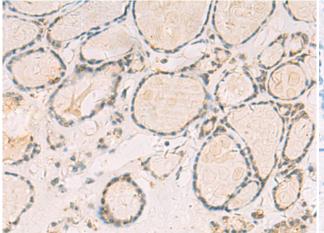

## **Product Description**

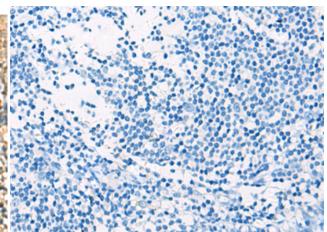

Pioneering GTPase and Oncogene Product Development since 2010

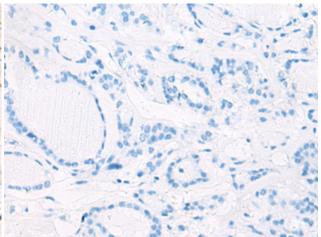

Immunohistochemistry analysis of paraffin embedded Human tonsil tissue using 218815(TCAP Antibody) at a dilution of 1/55(Cytoplasm).

The image on the left is immunohistochemistry of paraffinembedded Human thyroid cancer tissue using 218815(Anti-TCAP Antibody) at a dilution protein and then with D225265(Anti-TCAP of 1/55.

In comparision with the IHC on the left, the same paraffin-embedded Human tonsil tissue is first treated with the fusion protein and then with 218815(Anti-TCAP Antibody) at dilution 1/55.

In comparision with the IHC on the left, the same paraffin-embedded Human thyroid cancer tissue is first treated with fusion Antibody) at dilution 1/55.
